RENAISSANCE is a stunning headquarter office building of approximately 100,000 sq ft, which was completed in 2013. It offers bright, efficient, contemporary space on ground and four upper floors with 18 onsite parking spaces.

It has been designed with feature facades in keeping with the profile of its prime location. The focus of the building is the reception area, reflecting its relationship with Ruskin Square's open space directly opposite, which provides a pleasing aspect. The building offers excellent security with a manned desk and security turnstiles.

Renaissance is on an 100% REGO-backed renewable energy tariff (Renewable Energy Guarantees of Origin). This is a certification scheme to verify the origins of renewable energy.
